SookePoint Ocean Cottages Resort Joins True Key Hotels & Resorts Portfolio

Radium Hot Springs, BC – May 30, 2018 - True Key Hotels & Resorts (True Key) is pleased to announce the SookePoint Ocean Cottages Resort as the newest addition to the True Key management portfolio. This is True Key's ninth property in British Columbia and second property in the Sooke region.

"SookePoint Ocean Cottages Resort embodies perfectly the luxury properties True Key is proud to manage," said Michael Anderson, President of True Key. "This is an exciting new premium resort with an incredible oceanside location, unprecedented views in the natural environment and impressive experiences are waiting for its guests."

SookePoint Ocean Cottages Resort is a newly developed oceanic resort on the southwest tip of Vancouver Island in east Sooke. The resort is perched cliff side above the Pacific Ocean in an area well known for its abundant orca whale and other ocean life watching opportunities.

"We look forward to the expanded synergies between both of our Sooke properties," continued Mr. Anderson, "with our Sooke Resorts uniquely positioned across the basin from each other, ferrying guests across to the community of Sooke, for fishing charters or for wildlife watching will be part of the experience we now can offer in Sooke."

About SookePoint Ocean Cottages Resort - SookePoint Ocean Cottages Resort sits up to six times closer to the ocean than any BC waterfront resort, allowing rare front row seats to the surging ocean, and its luxury yacht suites are thoughtfully designed to maximize that oceanfront experience. The one, two or three-bedroom premium rental suites offer 640 - 1340 sq. ft. with oversize walls of glass offering unparalleled 180-degree views.
